Hello Ron

I have received and reviewed documents that I requested from Monroe County regarding discussions relating to fly over changes to the 2004 NAS Key West AICUZ map. I have cross referenced the Monroe County communications to the Key West Citizen's report dated April 29, 2007 and was hoping you could clarify some of the information attributed to you.

1. Were you the Navy's primary contact person for Monroe County personnel in regard to the 2007 AICUZ map changes?
2. Who was your Monroe County contact person?
3. Were you acting on your own in requesting the fly over changes or were you directed to by any of the current or past NAS Key West's Commanders or other NAS Key West's personnel or Navy Consultants?
4. Were you in direct contact with any NAS Key West consultants or private contractors regarding the 2007 AICUZ map changes?
5. During the period that changes were requested by your office to the NAS Key West 2007 AICUZ map, did you have any contact with any local developers, agents of developers or other Key Haven residents regarding Monroe County's request for the fly over changes?

This request includes copies of every document related to the matter, regardless of the format in which the information is stored. If the information I am requesting is on a computer somewhere, that information stored on a computer is as much a public record as a written page in a book or stored in a filing cabinet.

If you refuse to provide this information, please advise me in writing and indicate the applicable exemption to the FOIA. Also, please state with particularity the reasons for your decision. If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records.

I agree to pay the actual cost of duplication. However, if you anticipate that in order to satisfy this request, "extensive use" of information technology resources or extensive clerical or supervisory assistance will be required, please provide a written estimate and justification.

I request that these records be available by June 29, 2007. If you have any questions or need more information in order to expedite this request, please call me at 305-296-2469.

Sincerely,

Paul S. Caruso
