RE: Freedom Of Information Act Request

All correspondence between NAS Key West personnel, any Monroe County employee and outside consulting firms relating to the 2007 AICUZ study/ map from January 2005 to the date of the final draft of the April 2007 AICUZ study map.

To Whom it may concern,

I am writing to request any and all correspondence concerning NAS Key West AICUZ Study/ Map dated April 2007 with Monroe County Employees and outside consultants. The correspondence requested is from January 2005 to April 2007, pursuant to the Freedom of Information Act.

This request includes copies of every document related to the matter, regardless of the format in which the information is stored. If the information I am requesting is on a computer somewhere, that information stored on a computer is as much a public record as a written page in a book or stored in a filing cabinet.

If you refuse to provide this information, please advise me in writing and indicate the applicable exemption to the FOIA. Also, please state with particularity the reasons for your decision. If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records.

I agree to pay the actual cost of duplication. However, if you anticipate that in order to satisfy this request, "extensive use" of information technology resources or extensive clerical or supervisory assistance will be required, please provide a written estimate and justification.

I request that these records be available by June 8, 2007. If you have any questions or need more information in order to expedite this request, please call me at 305-296-2469.

Sincerely,

Paul S. Caruso
